

Natural SHAMPOO™

A gentle, hypoallergenic emollient
cleanser for animals with normal
and sensitive skin.

Natural SHAMPOO™

Benefits of Natural Shampoo

Natural Shampoo is soap free and pH adjusted for your pet's skin and coat. It is formulated with emollients, coconut oil and soothing oatmeal, to gently cleanse and moisturise.

This hypoallergenic cleanser is perfect for removing dirt, pollens and allergens from the coat, while still protecting and maintaining the coat's natural lustre.

Natural Shampoo is safe to use on puppies, kittens or pets of any age.

How do I use Natural Shampoo?

- Wet coat thoroughly with clean water.
- Apply Natural Shampoo to several points and massage gently.
- A sponge may assist lathering.
- Rinse well with clean water.
- For best results, apply Aloveen® Oatmeal Intensive Conditioner after bathing.
