THE SPECIALISTS IN SKIN CARE

Natural SHAMPOO

Natural is a mild hypoallergenic shampoo which is *gentle* on skin and *tough* on dirt.

Natural SHAMPOO

- Suitable for puppies, kittens and pets of any age.
- Safe enough to use daily, even for those with sensitive skin.
- Removes tough dirt and mud.
- Regular use will reduce the number of pollens and other irritants on the coat.

Natural Shampoo contains coconut oils for their pleasant scent and moisturising properties. For additional moisturising, Aloveen Conditioner can be applied after bathing.

Tips for bathing

- Wet the coat thoroughly.
- Apply Natural Shampoo to several points and massage in gently. Using a sponge can help with the lathering action.
- Rinse shampoo thoroughly.

For best results

- Apply Aloveen Intensive Conditioner sparingly to the coat at several points.
 - Massage in gently.
- The conditioner can be rinsed lightly or left on the coat.
- Gently dry and brush the coat as normal.
