

Natural

SHAMPOO AND CONDITIONER

A gentle, hypoallergenic emollient shampoo and conditioner for animals with normal and sensitive skin.

Benefits of Natural Shampoo

Natural Shampoo is a soap free cleanser that is pH adjusted for your pet's skin and coat. It is derived from coconut oil and soothing oatmeal, with emollients and moisturising factors, to gently cleanse and moisturise the coat.

This hypoallergenic cleanser is perfect for removing dirt, pollens and allergens from the coat, while still protecting and maintaining the coat's natural lustre.

Natural Shampoo can be used on puppies, kittens or pets of any age.

How do I use Natural Shampoo?

- Wet the coat thoroughly with clean water.
- Apply Natural Shampoo to several points and massage in gently to create a lather.
- A sponge may assist with lathering.
- Rinse well with clean water.
- Gently towel dry the coat.
- For best results, apply Natural Conditioner after bathing. Apply to the coat at several points and massage in gently.
- Dry and brush the coat as usual.

Benefits of Natural Conditioner

Natural Conditioner is a hypoallergenic conditioner for animals with normal and sensitive skin. It is a hydrating and nourishing conditioner suitable for pets of any age.

It contains kukui nut oil and soothing oatmeal. Enriched with vitamin E and cucumber extract.

How do I use Natural Conditioner?

Natural Conditioner can be applied after bathing or in between baths, to a damp or dry coat, to assist grooming and maintain coat condition.

Apply to the coat at several points and massage in gently.

It is designed to be used as a leave-on conditioner, however, it can be lightly rinsed off if this is preferred.

Natural Conditioner contains moisturising factors to restore, protect and maintain skin and coat health. It leaves your pet's skin and coat hydrated, silky and pleasantly fragranced.

Did you know?

Natural Conditioner contains Kukui nut oil.

Kukui nut oil moisturises, soothes and softens the skin and coat, leaving it smooth and shiny.

It absorbs quickly and doesn't leave a greasy residue on the skin and coat.
